

Cool Down

AI STORY | POPCORN STYLE!

Prompt: Its 20 years in the future you live in an AI saturated world.

**You are walking down the main street in town.
What do you see?**

Each person in the group contributes to the story a sentence at a time.

Example:

A tree has fallen across Main st. The tree is large with tin leaves.

Groups of 6 - 8

2 minutes

Moving counterclockwise from leader

Each group members should contribute at least 1 sentence word. Go as fast as you can.
